Cookies Policy

This website uses cookies to improve user experience.

Cookies are text files containing small amounts of information which are downloaded to your computer when you visit a website. With every subsequent visit to the website, the browser retrieves this information and provides you with relevant services.

The cookies used on this site are divided into three categories:

1. Strictly necessary cookies - Functionality cookies: These cookies are essential for the operation of the site and the enhancement of its usability.
2. Performance cookies (web-analytics): These cookies collect anonymous information about how visitors use a website, for instance which pages visitors go to most often, and if they get error messages from web pages.
3. Promotional – Marketing cookies (targeting or advertising cookies): These cookies are used to deliver adverts that are more appealing to each user and more relevant to their interests.

The legal bases for the processing of data collected through cookies are: (a) consent of the users, (b) fulfillment of the contractual mandates or taking measures at the request of a user, (c) the legitimate interests of our Company.

Cookies are stored on the computer of a user, who can fully control their application. Users can disable or restrict cookies by adjusting their browser settings. This process can also be carried out through automatic configuration. However, please note that restricting cookies may impact the performance and functionality of our site.

For detailed information on the collection and processing of personal data by our Company, please refer to the [Privacy Notice](#).
